

iAct Dialogues for Sustainability: IUCN World Parks Congress 2014 Webinar Series

**Pre-Congress Webinar:
“Global Contributions to
the New Social Compact:
Towards effective and
just conservation of
biological and cultural
diversity”**

Thurs, Oct 16, 14:00 UTC

Learn more about the New Social Compact (NSC) and offer solutions-oriented ideas to help ensure that biodiversity conservation and social justice are mutually supportive. Small group discussion inputs will be delivered to NSC and Congress Stream Leaders and made available online.

**Hybrid Congress Event:
“Intergenerational
Dialogues for Protected
Areas Management”**

Fri, Nov 14, 23:00 UTC (online)

**Sat, Nov 15, 10:30 AEDT
(in Sydney)**

Learn about concrete case studies: A New Generation of Marine Conservation, Global Youth Biodiversity Network, and Seniors' University. Discuss how intergenerational learning and collaboration can advance conservation. Small group inputs will be delivered to case study presenters.

**Post-Congress Webinar:
“Building Momentum for
the Young Peoples Pact
and Action Plan”**

Thurs, Dec 11, 14:00 UTC

Learn about the Young Peoples Pact and Action Plan that were largely developed at the Congress. In small groups, discuss ways to embody the Pact and implement the Action Plan in your region. Inputs will be organized according to region and added to the Action Plan.

All events are in English. Small group discussions can be in Arabic, French and Spanish.

The iAct Dialogues are interactive, global webinars that inspire intergenerational discussion and collaboration on sustainable planetary futures. Learn more and join our webinars live:
